15B. CONTRACT OFFICER  (Signature of person authorized to sign)	15C. DATE SIGNED 3/14/03	15D. UNITED STATES OF AMERICA  (Signature of Contracting Officer)	15E. DATE SIGNED 3/18/03

The purpose of this modification to N68939-97-D-0041, order NS40, is to extend the date to 30 April 2003 by within which the Government Contracting Officer can either cancel the stop work issued in modification NS40-13 or terminate the work. Accordingly, the second paragraph of the stop work provision issued via modification NS40-13 is revised to read as follows:

By 30 April 2003, the parties agree that the Government Contracting Officer will either:  
1) cancel the stop work and instruct the contractor to continue with the procurement and installation efforts for Sigonella, or 2) terminate the work under the Termination for the Government's Convenience clause of the contract.

If the stop work is cancelled by 30 April 2003, the Contractor shall resume work. The Contracting Officer will make an equitable adjustment in the delivery schedule or contract price, or both, and the contract shall be modified accordingly, if 1) the stop work resulted in an increase in the time required for, or in the Contractor's cost properly allocable to, the performance of any part of this contract, and 2) the Contractor asserts its right to the adjustment within 30 days after 30 April 2003.

If the stop work is not canceled and the Contracting Officer terminates the work for the convenience of the Government, the Government shall allow reasonable costs resulting from the stop work in arriving at a termination settlement.

Except as modified above, all other terms and conditions of this order remain unchanged and in full force and effect.
